DECADES OF TRUST, INNOVATION, SUPPORT & EXCELLENCE

Introduction...

iMee LED is a brain child of Parekh Group, established in 1945 with a vision of honesty, truthfulness and quality. The Parekh Group is counted among the leading business houses having diversified businesses across various sectors with an expertised experience of over seven decaded and four generations.

Owing to our rich expertise, knowledge, experience and expertise of our expert team, "we offer a wide range of LED Lights, LED Tv's, Personal & Home care products and much more range". Our entire product range is under strict supervision of our team with utmost attention to intricate detail so that the best products and services can be conveyed to our clients.

Our team consists of highly skilled and professionally trained people who work hard in close coordination with each other to set up total customer satisfaction. Through an unwavering focus on commitment & delivery, we have charted our way to success in our operations and have won the admiration of our buyers and have built a long term relationship with our esteemed customers.

Assurance of Quality & Excellence has been our key to success since our establishment and we believe that the years ahead will see us treading new grounds, widening the spectrum and expanding our trade horizons even further. We have set a high standard of conduct towards our buyers. Our precise approach to the quality of our manufactured products meets our customers' demands. We continuously work on improvement of our products, services & ourselves, so that we are able to serve you in the best possible way, today and for years to come.

WARRANTY POLICY

1) All iMee Products under LED LIGHTING category fall under piece to piece replacement policy within the time frame as mentioned on the product from the date of purchase EXCEPT any product which has external driver like COB Downlignts, LED Panels etc, in case of products with external drivers, first the driver will be changed and if the problem still persists, then whole product will be changed.

2) Every product is intended to be used in a specific area, every type of LED Light is created to be used in a specific manner. For example, Indoor products like Bulb, Tube Lights, Panels must not be used in Outdoor Areas & likewise Flame Proof lights must be used near chimneys or in factories which have burners etc and their temperature is higher than outdoors, using flood lights in these areas will not be covered under warranty.

3) Physical Damages are not covered under warranty, only technical defects that occur within the mentioned specifications/parameters are covered under warranty.

4) Water Damage is not covered under warranty for Indoor Products OR all products having IP Rating Above 64+.

5) Products returned to iMee under replacement must be free of physical damages.

6) iMee reserves the right to give any alternative product of similar value or similar use if the returned product is discontinued or out of stock.

7) Replacement flow chart would be Customer->Retailer->Distributor->Super Stockiest>iMee.

8) Products returned to iMee are subjected to be audited by iMee's technical team, any pieces which are working but still were returned to iMee under replacement will be duly sent back.

9) All above conditions are subject to change, Terms & Conditions Apply. All authorities belong to iMee & its authorized team. All disputes subject to Nagpur Jurisdiction.

imee® STUDIO

BECOME OUR EXCLUSIVE STUDIO FRANCHISE OWNER !

LOW INVESTMENT & HIGH RETURNS!

Why iMee ?

We are your one stop solution for LED Lights, Fans, Irons, Televisions and much more. We have a wide range of products which are an example of superb amalgamation of both aesthetics, utility and money savings !

We are Different !

Our products are crafted to perfection ! Each and every product speaks for itself! They are unique and are a true replacement for traditional products.

Our Quality Speaks in Itself !

Try it to believe it ! Our products not only look stunningly modern but also adress all your needs. All our products are not just high on quality but are reliability personified too. Each and every product goes through our strict QC process. Trust of our customers is our biggest asset ever since the beginning of our journey and we are proudly committed to nurture this trust by continuing to provide best quality products to our cherished customers.

Money Savings !

Our products ensure upto 80% energy savings as compared to other traditional products. Now no need to worry about inflated electricity bills. Relax !

Fits into Regular Fittings !

Our products are designed with such an intention that they should fit into regular fittings thus saving more money of our dear customers. We kept both new construction customers and those who are renovating their homes or offices in mind !

Eco Friendly !

Our products are truly eco friendly and power saving, they have no mercury and lead, our heat sink mechanism works flawlessly ensuring very low heating in the surroundings.

Happy to hear from you !

We believe that the voice of our customers and the employees should be heard, thus, we consider all the valid suggestions and incorporate those for our better performance. We also are available to answer the smallest of your queries and look forward to hire the dedicated efficient young minds.
