■ Important :

- 1) All iMee TV's have 1 year Warranty for Consumers/End Users from the date of Purchase.
- 2) Additional 3 months extra warranty period will be given to all Channel Partners combined together so that they can sell out the goods to Consumers/End Users.
- 3) That is a total 15 months warranty from the billing date from iMee.
- 4) All Super Stockiest must ensure that the stock is sold to consumer/End user within 3 months of their purchase & their sales/distributor sales should be on FIFO Basis.
- 5) 15 Months Warranty will start from the day of billing to Super Stockiest or any first point by iMee.
- 6) All channel partners must only buy such a quantity which they can sell out to consumers within the above specified time frame.
- 7) All serial numbers will be validated through the DMS portal.
- 8) iMee will be liable to give warranty for 15 months from its billing date or 1 year from the date of purchase by consumer, whichever is lower.
- 9) iMee Warranty Card is mandatory along with invoice Duly signed and stamped by Dealer/distributor/SS

■ Things to remember :

- 1) Consumer/End User or whomsoever is opening the TV box for the first time must record an Unboxing video while opening the box, and the serial number of the TV and the brand new untouched box seal must be clearly visible in the video otherwise it will not be eligible for free warranty.
- 2) If the TV is sold to any ODA location which is more than 25 Kilometers far from the nearest iMee service centre then the customer must bring the TV to Service Centre or to the Dealer Point for a timely solution.
- 3) Every product is intended to be used in a specific area, Usage of TV in a dusty area or such an area where TV should not be used, that leads to the dust entering the open cell (screen) and damages the components. Dust inside the screen will not be covered under warranty.
- 4) If the security seal on TV is broken or tampered, that TV will not be eligible for warranty.
- 5) Physical Damages are not covered under warranty, only technical defects that occur within the mentioned specifications/parameters are covered under warranty.

■ Please go through the following Standard Operating Procedures :

Problem	Solution
Missing Remote or Accessories	Please download iMee Customer Care App from Google Play Store or iPhone App Store and register with your email id or mobile number & register your complaint & then please login your complaint OR you can also log your complaint through iMee Customer Care Toll Free Number & submit a video proof while opening the box, share the serial number written on your product, and we will make the missing accessories available on priority.
Software Related Issues	Please download iMee Customer Care App from Google Play Store or iPhone App Store and register with your email id or mobile number & register your complaint & then please login your complaint Or you can also log your complaint through iMee Customer Care Toll Free Number & share the serial number written on your product and submit required photos/videos, we will send a technician and get the software re-installed within 3 to 5 working days. If any dealer/distributor/super stockiest wish to get the problem solved on priority, then we can provide software to them for a fast solution.
Hardware Related Issues	Please download iMee Customer Care App from Google Play Store or iPhone App Store and register with your email id or mobile number & register your complaint Or you can also log your complaint through iMee Customer Care Toll Free Number & share your TV Serial number and submit required photos/videos, after evaluating the problem, we will send a technician to solve/repair the problem/replace the faulty part which will be solved within 4 to 7 working days.
Physical Damages	Physical Damages or Water Damages are not covered under Warranty. All the Super Stockiests/Distributors/Retailers must carefully check the boxes for any dents or damage marks while receiving the goods and write a note "Subject to physical check within 72 hours" & notify the transporter within 72 hours in case of any physical damages and write a note on the receiving copy about the damage along with stamp on every POD. If found correct, iMee will compensate to Super Stockiest after investigating the matter accordingly & Super Stockiest should compensate to distributor accordingly, Super Stockiest to Distributor transport risk belongs to Super Stockiest & Distributor to Retailer transport risk belongs to Distributor.

■ Please Note :

All complaints must be registered on iMee Customer Care Mobile Application only OR iMee Customer Care toll free number only, any complaints directly given to any engineer or any employee directly or anyone else will not be valid and will not be entertained.

All above conditions are subject to change, Terms & Conditions Apply. All authorities belong to iMee & its authorized team. All disputes subject to Nagpur Jurisdiction.

#GoForTheBest

Why iMee ?

We are your one stop solution for LED Lights, Fans, Irons, Televisions and much more. We have a wide range of products which are an example of superb amalgamation of both aesthetics, utility and money savings !

We are Different !

Our products are crafted to perfection ! Each and every product speaks for itself! They are unique and are a true replacement for traditional products.

Our Quality Speaks in Itself !

Try it to believe it ! Our products not only look stunningly modern but also adress all your needs. All our products are not just high on quality but are reliability personified too. Each and every product goes through our strict QC process. Trust of our customers is our biggest asset ever since the beginning of our journey and we are proudly committed to nurture this trust by continuing to provide best quality products to our cherished customers.

Money Savings !

Our products ensure upto 80% energy savings as compared to other traditional products. Now no need to worry about inflated electricity bills. Relax !

Fits into Regular Fittings !

Our products are designed with such an intention that they should fit into regular fittings thus saving more money of our dear customers. We kept both new construction customers and those who are renovating their homes or offices in mind !

Eco Friendly !

Our products are truly eco friendly and power saving, they have no mercury and lead, our heat sink mechanism works flawlessly ensuring very low heating in the surroundings.

Happy to hear from you !

We believe that the voice of our customers and the employees should be heard, thus, we consider all the valid suggestions and incorporate those for our better performance. We also are available to answer the smallest of your queries and look forward to hire the dedicated efficient young minds.
