# DECADES OF TRUST, INNOVATION, SUPPORT & EXCELLENCE

## Introduction...

iMee LED is a brain child of Parekh Group, established in 1945 with a vision of honesty, truthfulness and quality. The Parekh Group is counted among the leading business houses having diversified businesses across various sectors with an expertised experience of over seven decades and four generations.

Owing to our rich expertise, knowledge, experience and expertise of our expert team, "we offer a wide range of LED Lights, LED TV's, Personal & Home care products and much more range". Our entire product range is under strict supervision of our team with utmost attention to intricate detail so that the best products and services can be conveyed to our clients.

Our team consists of highly skilled and professionally trained people who work hard in close coordination with each other to set up total customer satisfaction. Through an unwavering focus on commitment & delivery, we have charted our way to success in our operations and have won the admiration of our buyers and have built a long term relationship with our esteemed customers.

Assurance of Quality & Excellence has been our key to success since our establishment and we believe that the years ahead will see us treading new grounds, widening the spectrum and expanding our trade horizons even further. We have set a high standard of conduct towards our buyers. Our precise approach to the quality of our manufactured products meets our customers' demands. We continuously work on improvement of our products, services & ourselves, so that we are able to serve you in the best possible way, today and for years to come.

## WARRANTY POLICY

- 1) All iMee Products under LED LIGHTING category fall under piece to piece replacement policy within the time frame as mentioned on the product from the date of purchase EXCEPT any product which has external driver like COB Downlights, LED Panels etc, in case of products with external drivers, first the driver will be changed and if the problem still persists, then whole product will be changed.
- 2) Every product is intended to be used in a specific area, every type of LED Light is created to be used in a specific manner. For example, Indoor products like Bulb, Tube Lights, Panels must not be used in Outdoor Areas & likewise Flame Proof lights must be used near chimneys or in factories which have burners etc and their temperature is higher than outdoors, using flood lights in these areas will not be covered under warranty.
- 3) Physical Damages are not covered under warranty, only technical defects that occur within the mentioned specifications/parameters are covered under warranty.
- 4) Water Damage is not covered under warranty for Indoor Products OR all products having IP Rating Above 64+.
- 5) Products returned to iMee under replacement must be free of physical damages.
- 6) iMee reserves the right to give any alternative product of similar value or similar use if the returned product is discontinued or out of stock.
- 7) Replacement flow chart would be Customer->Retailer->Distributor->Super Stockiest>iMee.
- 8) Products returned to iMee are subjected to be audited by iMee's technical team, any pieces which are working but still were returned to iMee under replacement will be duly sent back.
- 9) All above conditions are subject to change, Terms & Conditions Apply. All authorities belong to iMee & its authorized team. All disputes subject to Nagpur Jurisdiction.
