Decades of Trust, Innovation, Support & Excellence

Introduction...

iMee LED is a brain child of Parekh Group, established in 1945 with a vision of honesty, truthfulness and quality. The Parekh Group is counted among the leading business houses having diversified businesses across various sectors with an expertised experience of over seven decades and four generations.

Owing to our rich expertise, knowledge, experience and expertise of our expert team, "we offer a wide range of LED Lights, LED Tv's, Personal & Home care products and much more range". Our entire product range is under strict supervision of our team with utmost attention to intricate detail so that the best products and services can be conveyed to our clients.

Our team consists of highly skilled and professionally trained people who work hard in close coordination with each other to set up total customer satisfaction. Through an unwavering focus on commitment & delivery, we have charted our way to success in our operations and have won the admiration of our buyers and have built a long term relationship with our esteemed customers.

Assurance of Quality & Excellence has been our key to success since our establishment and we believe that the years ahead will see us treading new grounds, widening the spectrum and expanding our trade horizons even further. We have set a high standard of conduct towards our buyers. Our precise approach to the quality of our manufactured products meets our customers' demands. We continuously work on improvement of our products, services & ourselves, so that we are able to serve you in the best possible way, today and for years to come.

Features of our **Remote Controlling System**

A handheld remote control
is included for easy operation.

Using the remote control,

- Turn On/Off Fan
- Speed switches 1 to 6
- Reverse rotation fan
- Timer Mode
- Smart mode automatically reduces speed of fan up to 12 hour from fast to low

How to pair **Remote with Fan.**

-  First switch **OFF** the main power supply to the fan.
-  Then **press and hold** power button on the remote. Then switch **ON** the main supply.

If you hear a beep sound twice, it indicates that the pairing is **successful**.

Repeat the same **process again** if pairing is not done.

Service Warranty

■ Important :

- 1) Warranty for Consumers/End Users from the date of Purchase.
- 2) Additional 3 months extra warranty period will be given to all Channel Partners combined together so that they can sell out the goods to Consumers/End Users.
- 3) All Super Stockiest must ensure that the stock is sold to consumer/End user within 3 months of their purchase & their sales/distributor sales should be on FIFO Basis.
- 4) All channel partners must only buy such a quantity which they can sell out to consumers within the above specified time frame.
- 5) iMee Warranty Card is mandatory along with invoice Duly signed and stamped by Dealer/distributor/SS.

■ Things to remember :

- 1) Consumer/End User or whomsoever is opening the product for the first time must record a un boxing video while opening the box, and the serial number of the product and the brand new untouched box seal must be clearly visible in the video.
- 2) If the product is sold to any ODA location which is more than 25 Kilometers far from the nearest iMee service centre then the customer must bring the product to Service Centre or to the Dealer Point for a timely solution.
- 3) Every product is intended to be used in a specific area, Usage of product in a dusty area or under the rain or or such an area where it should not be used, will not be covered under warranty.
- 4) If the security seal is broken or tampered, product will not be eligible for warranty.
- 5) Physical Damages are not covered under warranty, only technical defects that occur within the mentioned specifications/parameters are covered under warranty.

■ Please go through the following Standard Operating Procedures :

Problem	Solution
Missing Remote or Accessories	Please download iMee Customer Care App from Google Play Store or iPhone App Store and register with your email id or mobile number & register your complaint & then please login your complaint OR you can also log your complaint through iMee Customer Care Toll Free Number & submit a video proof while opening the box, share the serial number written on your product, and we will make the missing accessories available on priority.
Technical Issues	Please download iMee Customer Care App from Google Play Store or iPhone App Store and register with your email id or mobile number & register your complaint & then please login your complaint OR you can also log your complaint through iMee Customer Care Toll Free Number & share your product Serial number and submit required photos/videos, after evaluating the problem, we will send a technician to solve/repair the problem/replace the faulty part which will be solved within 4 to 7 working days.
Physical Damages	Physical Damages or Water Damages are not covered under Warranty. All the Super Stockiests/Distributors/Retailers must carefully check the boxes for any dents or damage marks while receiving the goods and write a note "Subject to physical check within 72 hours" & notify the transporter within 72 hours in case of any physical damages and write a note on the receiving copy about the damage along with stamp on every POD. If found correct, iMee will compensate to Super Stockiest after investigating the matter accordingly & Super Stockiest should compensate to distributor accordingly, Super Stockiest to Distributor transport risk belongs to Super Stockiest & Distributor to Retailer transport risk belongs to Distributor.

■ Please Note :

All complaints must be registered on iMee Customer Care Mobile Application only OR iMee Customer Care toll free number only, any complaints directly given to any engineer or any employee directly or anyone else will not be valid and will not be entertained.

All above conditions are subject to change, Terms & Conditions Apply. All authorities belong to iMee & its authorized team. All disputes subject to Nagpur Jurisdiction.

Why iMee ?

We are your one stop solution for LED Lights, Fans, Irons, Televisions and much more. We have a wide range of products which are an example of superb amalgamation of both aesthetics, utility and money savings !

We are Different !

Our products are crafted to perfection ! Each and every product speaks for itself! They are unique and are a true replacement for traditional products.

Our Quality Speaks in Itself !

Try it to believe it ! Our products not only look stunningly modern but also address all your needs. All our products are not just high on quality but are reliability personified too. Each and every product goes through our strict QC process. Trust of our customers is our biggest asset ever since the beginning of our journey and we are proudly committed to nurture this trust by continuing to provide best quality products to our cherished customers.

Money Savings !

Our products ensure upto 80% energy savings as compared to other traditional products. Now no need to worry about inflated electricity bills. Relax !

Fits into Regular Fittings !

Our products are designed with such an intention that they should fit into regular fittings thus saving more money of our dear customers. We kept both new construction customers and those who are renovating their homes or offices in mind !

Eco Friendly !

Our products are truly eco friendly and power saving, they have no mercury and lead, our heat sink mechanism works flawlessly ensuring very low heating in the surroundings.

Happy to hear from you !

We believe that the voice of our customers and the employees should be heard, thus, we consider all the valid suggestions and incorporate those for our better performance. We also are available to answer the smallest of your queries and look forward to hire the dedicated efficient young minds.
